SUMMARY

As an MCA graduate with a strong foundation in computer science, I am eager to start my career as a Java Developer. I have skills in Java, Spring Boot, Hibernate, and React.js. I am a quick learner, passionate about programming, and excited to contribute to dynamic projects like Full Stack Developer.

PROJECTS

Portfolio Website

<https://riteshdafale.github.io/PortfolioRD/>

- **Tech Stack:** Java 8/11+, Spring Boot, JPA, Reactjs, Bootstrap
- Developed a **responsive, interactive frontend** using **React.js** and **Bootstrap**, with seamless **REST API integrations**.
- Built a **robust backend** using **Spring Boot** to manage data in an **Oracle** database, ensuring smooth data storage and retrieval.
- Demonstrated strong proficiency in frontend development, REST API implementation, Microservices and backend integration.
- Showcased expertise in **modern web technologies, responsive design**, and adhering to **best coding practices**.
- Github Link : <https://github.com/RiteshDafale/PortfolioRD>

Medication Reminder Application

https://riteshdafale.github.io/Madical_Remainder/

- Built a medication reminder app using **React.js**, **Nodejs**, and **MySQL**.
- Created a **responsive design** using **Bootstrap** for Seamless REST API integration use on all devices.
- Implemented **token-based authentication** and **password encryption** for secure user access.
- Used REST APIs for smooth frontend-backend communication.
- Ensured data integrity and optimized database performance.

EXPERIENCE

Frontend Developer

Codemate IT Services

📅 01/2024 - 06/2024 📍 Nagpur , Maharashtra

- As a final-year MCA student, I gained hands-on experience during my 6-month internship at Codemate IT Services, focusing on frontend development with React.js and database optimization with MongoDB.

STRENGTHS

Communication

Able to clearly explain complex technical concepts to both technical and non-technical stakeholders.

Quick Learner

Able to grasp new technologies and concepts quickly.

Teamwork

Effectively collaborates in team projects and internships

SKILLS

Language

Java 8/11+, HTML/CSS, Javascript, Nodejs

Framework

Spring, Spring Boot, JPA Hibernate, Reactjs, Bootstrap

Database

Oracle, Mysql

IDE

Vscode, Eclipse, SpringToolSuit

EDUCATION

Master of Computer Application

Prof.Ram Meghe Institute of Technology & Research

📅 11/2022 - 06/2024 📍 Amravti , Maharashtra

Bachelor of Computer Application

Shri Shivaji Education Society Science

📅 06/2019 - 07/2022 📍 Nagpur , Maharashtra
